

## TNHP NOTES 15.4.19

### Present

Keith Underhill  
Stuart Todd  
Jamie Evans  
Cllr J Green  
Stuart Todd  
Cllr J Orme

### Apologies

Cllr S Russell  
Neil Howell  
Clive Wetten  
Edward Chorlton

#### 1 Meeting Notes last meeting

Notes presented and approved.

#### 2 Topic Group Meeting

One meeting has been held – older residents, facilitated by TH and VB. Some very useful information was teased from those who attended (especially around housing including rental properties for the older generation)

A meeting with the Arts is next on the list – facilitators Cllr J Orme and Roger Smith.

Not only will meetings be arranged, many will also be written to directly, the list growing weekly. Feedback to be reported back to the group.

#### 4 Aims and Objectives Workshop

A number attended and Paul Weston has started work on compiling the document which will be sent for comment.

A very useful and thought-provoking exercise with positive feedback from those who attended.

The aims and objectives document will form part of next stage consultation.

#### 5 Update – Locality Grants and AECOM

A bid has been submitted to AECOM for technical support, that support being for a design code and character assessment. If successful a report will be brought back to the group.

Another bid can be made to Locality for more monies which TH will look to do.

Discussion took place about design especially as there are some poor examples of locally. Added to which character assessment especially as Teignmouth has so much history and so much unique design in specific areas of the town – i.e. town centre.

**6 AOB**

The holding of 'hearings' for statutory organisations as per Edwards suggestion to be progressed.

**Next Meeting – 20.5.19**

Approved 10.6.19
