- After this consultation, comments made at our events and online will be examined alongside the results of the community questionnaire.
- Together they will guide the steering group to draft a Vision statement for the Plan and some aims and objectives.
- We will share feedback from the consultation and the draft Vision, aims and objectives of the Plan with the community prior to developing planning policies and an initial draft Neighbourhood Plan document which we hope to share with the community in Spring 2019.
- During the rest of 2019 we intend to agree a final Plan document with the community, consult with statutory consultees and submit a final version of the Plan to Teignbridge District Council for Examination."
