

# **Teignmouth Town Council Municipal Year 2018/19 Calendar of Meetings**

## **1 Introduction**

The Municipal year starts in May every year.

An exciting time for the Town Council as not only is a new Mayor (Chairman of the Council) and Deputy Mayor (Deputy Chairman of the Council) elected but a new work year starts. A time to reflect about the year just past and a time to look forward with vigour and enthusiasm.

The Annual Town Council Meeting (Mayor Making) is more ceremonial but business of the council will be attended to as well.

The Annual Parish Meeting is not an actual council meeting. It is a meeting of the parish or town electors which can take place anytime between March and 1<sup>st</sup> June.

Electors can contribute to the agenda as well as take the opportunity to celebrate local activities and debate current issues in the community. The meeting is chaired by the Mayor (Chairman of the Council).

Teignmouth Town Council has traditionally held the Annual Parish Meeting directly after the Annual Council Meeting.

Throughout the year, council working parties, task and finish groups and advisory sub-committees meet. Other than Staffing Committee, the electorate can attend and listen to any council meeting and it is intended for the Municipal year 2018/19 that all council meetings are scheduled in.

Members of the public (electorate) have a right to request to speak at meetings of the Council about an agenda item or an item not on the agenda. This is a right and one which only a few members of the public (electorate) ever seem to take advantage of.

Agendas are published on the Town Council's website as well as hard copies being made available on public notice boards and in the library and the use of a local community social media site
