

Have Your Say.... Teignmouth Neighbourhood Plan Next Stage Consultation 2019.

How do you wish to see Teignmouth develop in the coming years? Often land use planning is seen as remote from local and town levels where people live, work and partake in leisure activities. How can you say how it affects you? How can you influence it?

One important way is to take part in the development of the neighbourhood plan. A Steering Group has been working on this over that last two years. As a starting point a public consultation took place last year asking the people of Teignmouth for their thoughts. Since then the Group have been analysing the results and carrying out research to formulate some policies for the Plan. Now the Group are consulting the public again to see if they are on the right track.

It looks at a number of issues including future growth of the town, better design for new developments, housing growth, sports facilities, the importance of the town centre, the maintenance and quality of public spaces such as the Triangles, the Den and the Sea Front, arts, tourism, cycling, public transport, the natural environment, business and employment.

A neighbourhood plan is a way of helping neighbourhoods or towns influence the planning of the area in which they live and work.

Cllr Joan Atkins, Chairman of the Teignmouth Neighbourhood Plan Steering Group Planning said:

'Being new to this role, I am learning all about Neighbourhood Planning so in my new position, it gives me pleasure to announce the launch of the next stage consultation events taking place throughout November 2019. Do please come along and share your views with the team.'

The Consultation/Exhibitions will take place at the following venue on the dates shown: -

- 6th November: Teign Heritage Centre 2.00pm – 4.30pm
- 9th & 10th November: Pavilions Teignmouth 12.00 noon - 3.00pm
- 18th November: Alice Cross Centre 6.00pm – 8.00pm
- 16th November: Bitton House 12 noon – 3.30pm and
- 19th November: Bitton House 6.00pm – 8.00pm
- 23rd November: Teignmouth Triangles 12 noon – 4.00pm.
