The Teignmouth town plan is our chance to have our say on what we would like to see happen over the next decade.

Please watch the short video below and write what you would like to be included.

Example:-

I would like the skate park to be bigger and have higher ramps. Also separate parks for older and younger kids. I would also like to see some large inflatables in the sea during the summer free of charge. And an indoor area kids can use in the winter also a swimming pool open all year. Year 9 TCS student.

Please send your ideas to the nhp@teignmouth-devon.gov.uk
