21st June 2019

Dear Councillor

A meeting of the Teignmouth Town Council Planning Committee will be held at Bitton House on Wednesday the 26th of June at **5.30pm** to discuss the following items as set out below and you are summonsed to attend.

Public wishing to make comments or ask questions on a specific planning application being considered by the Planning Committee are welcome to do so. Please notify the Town Clerks office (kaffeorme@teignmouth-devon.gov.uk) with any written comments, questions or requests to speak to the Committee at least one day in advance of the meeting.

Please note that that this meeting may be filmed or recorded (audio taped for the purposes of minute taking).

Members are reminded of their legal responsibilities when considering planning applications as set out in the planning practice guidance on the government website Gov.UK. Local authority members are involved in planning matters to represent the interests of the whole community and must maintain an open mind when considering planning applications. Where members make recommendations on planning applications they must do so in accordance with the local development plan and or Neighbourhood Plan (if adopted) unless material considerations indicate otherwise. Members must only consider material planning considerations, which can include public views where they relate to relevant planning matters. Local opposition or support for a proposal is not in itself a ground for refusing or granting planning permission, unless it is founded upon valid material planning reasons.

Please note:

Under the Openness of Local Government Bodies Regulation 2014, this meeting has been advertised as a public meeting and as such could be filmed or recorded by broadcasters, the media or members of the public.

T. Higgs
Town Clerk

AG E N D A

PART I (Open to the Public)

1. Apologies

2. Use of Mobile Phones

In accordance with Minute 30, mobile phones be limited to personal use only (in case of emergencies) and in which case the Councillor is to leave the room to respond. Mobile phones are to be switched to silent during the meeting to avoid disruption.
